STUDENT SCORE REPORT

➤ **What is the Student Score Report?**

This individualized report details scores received on the assessment and the career plans and needs you indicated.

➤ **What does the Student Score Report provide?**

- Suggestions for improving student academic skills
- Careers that match student interests
- Indicators of college readiness

WHAT DOES YOUR SCORE MEAN? (P1)

- Compare your score to the PreACT Benchmark Score
- Scores at or above the Benchmark are on track for College
- Scores below the Benchmark Need Improvement to be College Ready

ACT Subject-Area Test	PreACT Benchmark
Mathematics	22
Science	23
STEM	26
English	18
Reading	22

YOUR H.S. COURSE PLANS

PAGE 2

Compare the blue areas (you) with the recommended courses needed for college. The description to the right of the graph tells you if you are on track with the recommended courses to prepare yourself for college.

If you need to add courses to reach your goals, please schedule an appointment with your School Counselor!

YOUR EDUCATION AND CAREER JOURNEY

The Career Map (big round circle on page 2) shows 26 career areas. The shaded regions show the kinds of work tasks you prefer and the Career Areas you may like.

Visit www.actprofile.org to find out more about the career areas you prefer.

ITEM RESPONSE ANALYSIS

- The last two pages of your score report will tell you the number of questions you answered correctly or incorrectly in each section.
- It will show you the following:
 - The Correct Answer Choice
 - Your answer choice IF it was not the correct choice
 - Areas for Improvement Based on your incorrect answers

RETURNED TO YOU FOR YOUR USE

❖ **PreACT Student Report**

❖ **Test Booklet**-Please use the test booklet with pages 3-4 to review your answers and perhaps to improve for the (real) ACT Assessment normally taken in the April or June of your Junior Year.

❖ **PreACT *Using Your PreACT Results***-if you need more detailed explanation of your score report.
