

Grinnell Middle School Announcements Wednesday, September 19, 2018 - Day 1

Please remember to check the district's [Virtual Backpack](#) for activities and events that are available to students.

Here is the link to our [Connected PTO](#) group to keep up on their current events which support our students.

Tiger Shirts are here!! Students who purchased Connected PTO shirts may pick them up in the office during their lunchtime today. Thanks and go Tigers!!!!

Monday the 8th grade volleyball girls won 8 out of 12 sets with Oskaloosa. Tuesday the girls traveled to East Marshall and won 4 of 6 sets. Both days saw improvement in different areas

Congratulations to the 7th grade football team in their performance at Oskaloosa last night. Our tigers made massive improvements from game one to game two. Some standout moments... Cole Blackford showed off his cannon by throwing a perfect dime to Wyatt Eaton's perfect corner route on 4th and 8 to score our Tiger's first touchdown of the season. Payton Burnett showed those fellows down in Oskaloosa who's boss by tearing them apart in tennis shoes. Brayden Graff nearly came down with a SWEET one handed pick to force a 4th down Nathaniel Dupee made a brave open field tackle to stifle a drive by the Oskaloosa Indians. We should be proud of the progress our boys in black have, and will continue to, make. Let's go Tigers!

GMS SCHOOL PICTURES - Mark your calendar school pictures will be taken at the Middle School today Wednesday, September 19th. Ordering/Payment envelopes were sent home with your students.
