

LICENSED EMPLOYEE TUTORING

Every effort will be made by the licensed employees to help students with learning problems before recommending that the parents engage a tutor. Since there are exceptional cases when tutoring will help students overcome learning deficiencies, tutoring by licensed employees may be approved by the superintendent.

Licensed employees may only tutor for a fee students other than those for whom the teacher is currently exercising teaching, administrative or supervisory responsibility.

Tutoring for a fee may not take place within school facilities or during regular school hours.
