

CLASSIFIED EMPLOYEE PERSONAL ILLNESS LEAVE

The requirements stated in the Master Contracts between classified employees and the board regarding classified employee personal illness leave will be followed.

Should the personal illness occur after or extend beyond the accumulated sick leave, the employee may apply for disability benefits under the group insurance plan. If the employee does not qualify for disability benefits, the employee may request a leave of absence without pay.

Evidence may be required regarding the mental or physical health of the employee including, but not limited to, confirmation of the following: the employee's illness, the need for the illness leave, the employee's ability to return to work, and the employee's capability to perform the duties of the employee's position. It is within the discretion of the board and the superintendent to determine the type and amount of evidence necessary. When an illness leave will be greater than three consecutive days, the employee will comply with board policy regarding family and medical leave.

If an employee is eligible to receive workers' compensation benefits, the employee will contact the board secretary to implement these benefits.
